Under Construction

Fredericksburg

Fall Hill Avenue Widening and I-95 Overpass Replacement Project

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park). The project is expected to be complete in January 2017.

Spotsylvania County

Route 17/Benchmark Road/Crossroads Parkway

Motorists should expect lane closures and brief traffic stops on Route 17 at Benchmark Road and Crossroads Parkway, located just east of the CSX railroad tracks and west of Jim Morris Road. Flaggers will direct motorists through the work zone. This work is related to construction of a new Virginia Railway Express train station and parking lot. This project is being administered by Spotsylvania County.

Stafford County

Route 17

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Motorists should be alert to changes in traffic pattern and periodic overnight lane closures. Project completion date is December 2016.

Falmouth Intersection (Route 1/Route 17 Business/Route 218)

Construction is underway. Motorists should be prepared for brief delays and periodic lane closures on Butler Road and Route 1 just north and south of the Falmouth intersection. Project completion date is September 2015.
